Family Dentist Report

Grades 3, 7, and all new students to Pennsylvania

The Pennsylvania School Health Law requires dental examinations in grades 3, 7, and all new students to Pennsylvania. It is strongly recommended that your family dentist perform the exam as they are the most familiar with your child's dental needs and will be able to provide follow up treatments, cleanings, etc. This examination form should be completed by your family dentist and returned to your child's school nurse.
